Grupo Errepi Foods SL
The Best Italian Food

Who we are

Grupo Errepi Foods was created in 2019 to respond to the requests of the Spanish GD and GDO.

The request for quality Italian products and the search for these at a competitive price that would allow everyone to bring a piece of Italy to their home, made us specialists in the supply of all Italian foods and in development through choice with the customer , promotions of high quality Made in Italy products supplied by the most prestigious producers.

The great success achieved in the Spanish market has pushed us to broaden our horizons by expanding our offer in the European and extra-European market.

In 2020, the opening of a centralized warehouse in Northern Italy allowed us to improve the operational management of the products and the logistical and administrative service for the customer.

We are also exclusive for companies that want to expand the market through our services.

Today we work with some of the most important European chains, determining their success in promoting with Italian products.

Our Mission

Our mission is to find and operate with the best producers of Italian products.

We take care of and control the supply chain up to the sale of the products.

We allow to bring the excellence of Italian products to tables all over the world at the most convenient price on the market.
